

### Homemakers Look Forward to Special Showing

All homemakers have a special date to look forward to. On Jan. 29 a showing of decorator lampshades will be held at Mira Costa High School, Gould Lane and Peck, room 73 from 8 to 9:30 p.m.

The lampshades were designed and made in the adult education classes. A demonstration of the various steps in planning and making the right type of shade for your home will be given during the showing.

Viola Boas, instructor in charge of the class, invites guests to bring their color problems to her.

A new term in the lampshade class will begin the first of February but class registration is already underway.

### West Torrance Sees '59 Boom in Community Church Building

The building boom of West Torrance hasn't been confined to industrial sites alone, new churches too, are putting in an appearance for '59. Not as noticeable at first as the larger industrial developments, the construction of the churches is just as important a sign of the expanding community.

With members of the congregations donating their time to help, rapid progress has already been made in completing several of the buildings.

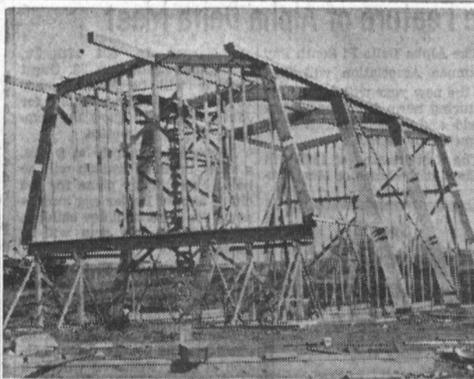

On Victor Street, just off busy Torrance Blvd. raise the arches of The Lutheran Church of the Good Shepherd. The new mission congregation, sponsored by the Board of Home Missions of the Evangelical Lutheran Church, has engaged Architect

Edward D. Davies, and Hans Roe, general contractor, to erect the new quarters on the three acre site.

The dominant building is the slumstone multi-purpose room for worship and assembly. Educational rooms, and the Pastor's office are also on the grounds. The 185 baptized members, led by Pastor Gerald Garlid are donating their time to paint, tile the floors and landscape.

Just off Hawthorne Blvd. across the street from Meadow Park School, Seaside Community Church dedicated the Narthex for their chapel and the new fellowship-educational building Jan. 4.

The new church addition represents 11 months building time for members of the congregation. Architect Vaughn Smith, of Kill-

AN EXAMPLE of the church building boom is seen in this picture of the Lutheran Church of the Good Shepherd under construction on Victor St.

### George Hollowell New President of Church Group

George Hollowell will be president of the Consistory at Seaside Community Church for the coming year.

Serving with him will be Ernest Dungey, vice president; Mrs. Howard Miller, secretary; and Elmer Peterson, treasurer. Heading committees will be Ernest Dungey, building and grounds; Mrs. David Tepas, Christian education; John Moss, finance and Irvin Pauling, worship and evangelism.

### TV SERVICE CALLS

\$2.50 ???

DON'T BE HOOKED OR MISLED!

We could make a service call for \$2.50 — But chances are we'll find at least 4 small tubes out of order.

Legitimate TV service calls run \$4.50 and many times we have left a TV in excellent working order just by making a simple adjustment and no extra charges!
